Subject : Application for Software Developer Intern Position
Date : 01 / May / 2026

Dear Hiring Manager,

I hope this email finds you well. I am writing to express my interest in the Software Developer Intern position at Tech Solutions, as advertised on your company's careers page. As a dedicated and enthusiastic computer science student, I am excited about the opportunity to contribute to your team and gain hands-on experience in a professional environment.

I am currently pursuing my Bachelor's degree in B.tech (CSE-AIIML) at Graphic Era Hill University. Throughout my academic journey, I have developed a strong foundation in programming languages such as Java, Python, and C++, along with hands-on experience in web development, database management, and problem solving. I have also worked on several academic projects, including a Student Management System using Java and SQLite, which has strengthened my technical and analytical skills.

What excites me most about Tech Solutions is your commitment to innovation and delivering impactful solutions. I am eager to learn from the talented professionals at your company and contribute my skills, while continuously improving and growing as a developer.

I have attached my resume for your consideration. I would greatly appreciate the opportunity to discuss how I can contribute to your team.

Thank you for your time and consideration.

Best regards,

Priyanshu Rawat

B.tech (CSE-AIIML) Student
